

**TERMS AND CONDITIONS OF USE OF
PARK SCI PLAYGROUND**

1. Use of the Playground by the requesting group/organization shall be limited to that set forth in the request on the reverse side of this form.

2. The group/organization shall provide adequate supervision of the persons using the Playground so as to minimize the risk of harm to such persons and to the components of the Playground.

3. The vehicles transporting the group/organization to the Playground shall be parked only where designated by the Township.

4. All members of the group/organization shall obey all of the rules and regulations of the Township regarding use of the Playground.

5. Members of the group/organization shall confine their use of any aspect, component, device, or apparatus of the Playground to that for which it has been reasonably designed.

6. The Township makes no representation or warranty as to the fitness, structural, or otherwise, of the Playground for the use intended by the group/organization, and the group/organization expressly agrees to use the Playground in its "as is" condition.

7. The group/organization agrees to indemnify and save the Township harmless against and from any and all loss, damage, costs, and/or expenses which the Township may hereafter suffer, incur, be put to or pay by reason of any liability or claims arising out of the use of the Playground by the group/organization or any of its members, and the group/organization agrees to pay and discharge forthwith any debt, obligation or claim which shall be asserted against the Township by reason of such use. If required by the Township, the group / organization agrees to add the Township as an additional insured to any general liability / casualty insurance policy maintained by the group / organization.

8. If required by the Township, the group/organization agrees to add the Township as an additional insured to any general liability/casualty insurance policy maintained by the group/organization

9. No grilling is allowed on the complex, except at the pavilion, which must be separately permitted.
