

PERSONALIZED FENCE PICKET

June 2015 marked 20 years in existence for Park-Sci Playground at Upper Gwynedd Township. As one would expect, wooden structures that are heavily trafficked will bring some wear and tear. Over the next several years, the township will be making repairs to the playground. You will see items refurbished or in some cases, replaced to ensure not only compliance with the laws, but to keep it looking fresh and new. Fence pickets will be sold and installed as part of the park, which was the most successful fundraiser during the build in 1995. We are again offering the chance to have your name, your child's name or business name permanently linked with this incredible and unique park. For only \$25 a picket (\$50 for a business) your name or the name of your child, family or business will be immortalized in the park. These will be sold on a first-come first-served basis. Fill out the form and sign up now to have the opportunity to support the park in a permanent and noticeable way. **Your continued support of this community playground is much appreciated!**
