UPPER GWYNEDD TOWNSHIP 2016 BUDGET APPROVAL

The Upper Gwynedd Township Board of Commissioners is pleased to announce that at their November 23, 2015, Public Workshop Meeting, the 2016 Preliminary Budget was authorized for advertisement. This Budget is based on the same real estate tax level that was in place in 2015 at 2.012 mills of assessed value. At the rate of 2.012 mills, the owner of a home assessed at the township's average pays \$220 annually. The Township Board of Commissioners reauthorized the Homestead Exemption which further reduces the real estate tax burden on owner occupied residential properties. In addition, the Budget reflects the same sewer rates that were in place in 2015. It is very important for taxpayers to understand that the Township does not control the tax levy imposed by either the North Penn School District or the Montgomery County Board of Commissioners. In 2015, the Township real estate tax represented only 7% of your total annual real estate tax bill while the School District's tax represented 82% and the County tax represented 11%.

In summary, the Budget includes a spending plan that includes revenues and expenditures as follows:

General Fund	\$12,548,907
Sewer Fund	\$4,390,023
Upper Collection System Fund.....	\$2,229,470
Liquid Fuels Fund.....	\$770,263

In addition to normal operation and maintenance expenses, this Budget includes the following major capital projects:

General Fund:

Public Meeting Room technology upgrades (\$35k), purchase of one Police patrol vehicle (\$32k), construction of a carport and stair-cover for Police Station (\$167k), road milling & overlay projects (\$926k-\$770k from State), stormwater management projects (\$782k-\$400k from Grants), replacement of a Public Works 1999 dump truck and a 1995 pick-up truck (\$189k), and park improvements including installation of two dedicated pickleball courts (\$127k).

Sewer Fund:

The continuation of the Upper Gwynedd Township Inflow/Infiltration Reduction Program (\$395k), and construction of a storage garage for mobile equipment (\$106k).

Upper Collection System Fund: The continuation of the Upper Gwynedd Township Inflow/Infiltration Reduction Program (\$260k) and design engineering of diversion project (\$535k).

The Board of Commissioners' President Kenneth E. Kroberger thanked all the Members of the Board, Township Manager Leonard T. Perrone, Township Finance Director David Brill, Assistant Township Manager Michael Lapinski, and all of the Department Heads for their diligence through the Budget preparation process. Mr. Kroberger indicated that many difficult choices were made in a successful effort to develop a Budget which held the line on taxes and sewer rates without reducing the level of services provided by the Township. ❁

UPPER GWYNEDD TOWNSHIP POLICE DEPARTMENT NEWS

Winter leads us to that four letter word “snow.” Residents are reminded that during storms when a “snow emergency” is declared, parking is prohibited on the streets. Please give way to snow plow operators as they assist all of us in getting to our destinations safely. Make sure your vehicles are up to the challenges of winter including the tires and motor. Always carry blankets, some non-perishable snacks, and a charged cell phone in case of an emergency. Please allow extra travel time, and remember that spring is just around the corner!

Thank you to the many residents who joined us for another successful National Night Out (NNO). NNO is recognized across the country as a way for community members to connect with each other and public safety officials in order to continue

to collaborate on keeping neighborhoods safe. Upper Gwynedd Police were joined by the Board of Commissioners, members of the Upper Gwynedd Fire Department, Volunteer Medical Service Corps., and our Public Works Department to visit several different neighborhood groups in the Township. It was great to see the turnout and the positive interactions, especially with children. Public Safety is a year-round effort, and we appreciate the partnerships we maintain with our community!

BE A RESPONSIBLE PET OWNER

The Township is receiving complaints about unleashed pets being walked throughout the Township. Be advised that Ordinance No. 90-10 prohibits pet owners from walking unleashed pets in the Township. This Ordinance also requires that pet owners clean up after their pets. Please understand that while you may be confident that your dog or pet is not a threat to a fellow pedestrian, other individuals may feel intimidated by your unleashed pet. Please be aware that there are fines levied against violators of this Ordinance.

SNOW EMERGENCY INFORMATION

Pursuant to the provisions of Ordinance 61-2, as amended, of the Township, during periods of emergency snow conditions, no person shall park a vehicle or permit a vehicle to stand unattended upon any portion of any of the roads within the Township. This is to assist snow plow operators in clearing the streets. A snow emergency shall be declared by the Township Manager posted on the Township website at www.uppergwynedd.org and announced over radio stations WNPV 1440 and KYW 1060. As a courtesy to the Township’s snow plow operators and your neighbors, the Township requests that residents remove portable basketball stands from the street area and refrain from putting out trash and recycling containers that also hinder snow removal efforts.

Credit may be used for any future recreational programs offered by UGT! Register to coach when you register your child! All help is appreciated.

Parent Testimonial from 2014 Soccer League

Our son loves soccer, so our only reason for registering him for this league was to give him more of an opportunity to play a game he loves. We were pleasantly surprised that this season turned out to be so beneficial for him. The other soccer league he plays in has very few practices and focuses mostly on games. The practice time in Upper Gwynedd's league each week allowed the coach to help the players work on their skills. It was evident that each child improved during the season, but more importantly, the players really learned how to play together as a team. We will definitely be returning to this league next year.
