340 Dekalb Pike, Blue Bell, PA 19422

This event is open to the public from 11:30 am – 1:30 pm

**MONTGOMERY COUNTY RECORDER OF DEEDS**

**VETERANS DISCOUNT PHOTO ID CARD & DISCHARGE RECORDING PROGRAMS  
RECEIVE DISCOUNTS FOR COUNTY GOODS & SERVICES**

Montgomery County's Recorder of Deeds has two programs that honor the service of County veterans:

1. **Free recording of veterans discharge paperwork.** This form, also known as the DD214, is a veterans' most important post-military document. It contains information needed to verify military service in order to receive benefits, retirement, employment, membership in veterans' organizations, and to receive military funeral honors. Recording a DD214 will make it easy on a veteran's family by providing an instant source of information about dates of service, branch, awards and decorations received, and other important details of service.
2. **A photo ID card that entitles veterans to discounts for goods and services from over 500 participating county merchants.** Veterans will be able to present these cards to Montgomery County businesses who have agreed to provide the discount to veterans in appreciation for their service to our country. A list of participating merchants can be found at [www.montcopa.org/rod](http://www.montcopa.org/rod) and will be updated monthly.

All a veteran needs to show is their DD 214 (military discharge) and photo identification (such as a driver's license). Veterans will be able to receive the ID card in minutes either at the Recorder of Deeds office in Norristown or at one of the many offsite events we attend throughout the county. The office hours in Norristown are Monday – Friday from 8:30 am – 4:15 pm. The phone number for the Recorder of Deeds is 610-278-3289.
