

SUMMER DRAMA CAMP

In Theatre Horizon's Summer Drama Camp, young actors spend a week working as an ensemble to create an original play—full of drama, comedy, suspense, and one-of-a-kind characters! Campers are guided through playwriting basics, character development, and the fundamentals of stagecraft. On the last day, they perform their world premiere play for an audience.

In Drama Camp, children make new friends, build listening skills, take on leadership roles, and explore their creativity.
